5. The restriction requirement set forth in the Office action mailed on 4/17/2002, has been reconsidered in view of the allowability of claim 17 to the elected invention pursuant to MPEP § 821.04(a). **The restriction requirement is hereby withdrawn as to any claim that requires all the limitations of an allowable claim.** Claims 26, 27, 29, 30, and 33-39 directed to different species are no longer withdrawn from consideration because the claims require all the limitations of an allowable claim.

9. This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).

10. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
